

Foam-U CentraleSupélec

7th French OpenFOAM® users
conference: joint
Franco/Belgian

CentraleSupélec - Paris Saclay,
May 22nd & 23rd, 2024

Overview

Foam-utilisateurs (The French OpenFOAM® users group) and **CentraleSupélec** are pleased to invite you to the fifth French conference of OpenFOAM® users. For the seventh time, this event aims to bring together OpenFOAM® users as well as those interested in potential applications of the software. People from academia and industry are invited to present advances in their relevant research and development fields, exchanging ideas and information in an interdisciplinary environment. This conference will provide an ideal opportunity to develop new collaborations and to meet experts.

Registration Fees

Early bird registration 200€ up to February 28

250€ late registration

The registration fees include coffee breaks, lunches and Wednesday night dinner.

Plenary talks

DR. JEAN LACHAUD

Maître de conférences, Uni. de Bordeaux
"PATO and its applications"

DR. SANTIAGO LÓPEZ CASTAÑO

Researcher, Flanders Hydraulics
"Panama Canal hydraulics & Fully-implicit
VoF for hydraulic jump case"

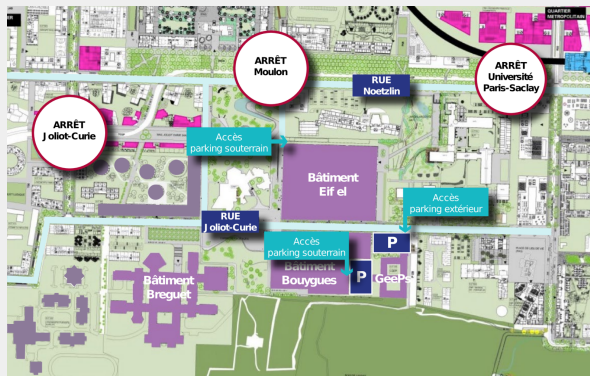

DR. MONT. TOBIAS HOLZMANN

CEO, Holzmann CFD
"Beyond simulations: a decadal tale of
learning, leading, and contributing to
OpenFOAM"

Venue

The conference will be held in Gif-sur-Yvette (France), at
CentraleSupélec - Bâtiment Eiffel - Secteur Vivant,
accessible by RER, or bus from Massy city center.
